

ANIKET AICH

San Francisco, CA | 650-285-8922 | aniketaich25@gmail.com

Mission-driven relationship and operations leader with experience managing multi-stakeholder portfolios, matching partners to funding and growth opportunities, and supporting projects end to end from inception to execution. Brings a climate- and food-systems lens, and a track record of advancing mission-driven programs, institutional partnerships, and scalable systems.

PROFESSIONAL EXPERIENCE

Conscious Kitchen

Program Director

San Francisco, CA

Mar 2025 - Present

Conscious Kitchen is an organic farm-to-school program that supports organic producers to enter the school food marketplace and works with public schools to incorporate more organic ingredients from local vendors.

- Own a portfolio of 40+ strategic food-company and distributor relationships, matching partner capabilities to the needs of 120+ school districts serving 1.5 million students, and raised over \$2.5 million for organic farm-to-school programs from corporates, foundations, and HNIs.
- Lead relationship strategy and cross-sector coordination among farmers, vendors, distributors, and institutional buyers and facilitated more than \$10M in purchasing investment into 75+ organic farms and food companies through partnerships and supply-chain coordination.
- Developed a partnership with Nature's Path to [launch the first organic cereal](#) for U.S. schools, translating partner priorities into a scalable market opportunity.

Senior Program Manager

San Francisco, CA

Oct 2023 - Mar 2024

- Designed and led technical trainings for small organic farmers on institutional-market access and school-procurement readiness.
- Supported six farmers with grant applications and management for more than \$1.8M in funding.

Plant Futures Initiative

Consultant

San Francisco, CA

May 2022 - May 2023

Plant Futures is a global movement at the intersection of climate justice, public health, social justice, and animal welfare, building a plant-centered future through Curriculum, Community, Careers, and Culture Change,

- Built KPI frameworks and program content for the UC Berkeley course offered at Haas School of Business, co-instructed the class, and evaluated students.
- Developed the organization's data-backed 2022 Impact Report, synthesizing results for stakeholders and supporters.

Pratham Education Foundation

Consultant

New Delhi, India

Apr 2020 - Sep 2021

Pratham Education Foundation advances equitable learning through scalable, evidence-based programs in foundational education, women's education, and youth skilling.

- Supported development and program operations serving approximately 18,000 students; Maintained and supported funder portfolios including tracking performance and maintaining reporting, including the Michael & Susan Dell Foundation and P&G.

Teach For India

Fellow

New Delhi, India

Jan 2019 - Apr 2020

- Designed student- and teacher-centered curricula, increasing Grade 8 online engagement from 24% to 72% and improving assessment outcomes.

EDUCATION

UC Berkeley, Goldman School of Public Policy - Master of Public Policy
Graduate Certificate in Food Systems, Berkeley Food Institute.
